

One Accord Bible Challenge 2019

The Bible is still THE BEST book for us to hide in our hearts and enjoy over and over. It is a glorious love letter and owner's manual from the all-powerful, all-knowing, all-loving God who made us. Time to set up a new challenge!

For 2019, the One Accord community has a Bible reading challenge with different options that hopefully may make things easier for everyone. It involves reading the Bible SIX days out of every week, with an easy tracking sheet. This reading can be your personal study, used in an LTG group, or whatever works best for you.

The reading schedule starts January 1, 2019. If you start early, you can get ahead nicely.

OPTION 1

Read one chapter a day. This option covers the entire New Testament in under a year! (roughly 10 months)

OPTION 2

Read three chapters a day. This option covers the entire Old Testament in a year.

OPTION 3

Read four chapters a day, 3 Old Testament, and 1 New Testament. This option covers the entire Bible in a year.

OPTION 4

Read five chapters a day, 3 Old Testament, and 2 different parts of the New Testament. This means after a year, you will have covered the entire Old Testament once, and the New Testament twice!

TIPS FOR SUCCESS

1. Don't wait until the new year to start. Go ahead and get started now and get ahead of the plan!
2. Choose a consistent time each day and a consistent way to read. Many Bible phone applications can read out loud to you.
3. Use the challenge pages and mark it down as you read each passage.
4. Don't get bogged down in names and genealogies. It is OK to read those passages quickly.
5. The last couple of months in the New Testament columns are labeled "Reader's Choice." This is because the whole New Testament has been covered! I suggest you choose a part of the New Testament to go through again at 1 to 2 chapters per day depending on your plan.
